Through, The President, District Board, South Kanara.

Sir,

I have the honour to submit herewith the correspondence between the Personal Assistant to the Surgeon --- General and myself regarding the payment of subsidy on behalf of the midwives attached to the Rural Dispensaries under this Board for the quarter ending 31st December 1931.

pp 36 infra

2. In the case of midwives attached to the Rural Dispensaries, a certificate from the District Medical Officer regarding the class to which they belong has to be attached to the bill claiming subsidy. The District Medical Officer was requested on 27-1-1932 to furnish the certificate in --- question and two reminders were sent to him and certificate was completely received on 6-4-1932 and thus the claim for subsidy ---

4/6

could not be made before the close of the year.

3. G.O.No. 842 P.H. dated 7th April 1930 lays down that the -- Government subsidy due to Rural Medical Practitioners for the 3rd quarter ending with 31st December should be claimed before the end of the fourth quarter of the year. The subsidy on behalf of these Officers was claimed and credited to the Board before the end of -- March. No mention is made in the G.O. regarding the claim of subsidy on behalf of midwives. The words used in the order are subsidy to rural medical practioners. If the said order referred to the - claim of subsidy on behalf of rural dispensaries instead of rural -- medical practitioners, it would probably have been presumed that the said order covers the case of the claim of subsidy on behalf of the midwives also. If the Government is not pleased to approve of the said interpretation of the order, I submit the local bodies will be put to great hardship as the claim of subsidies for midwives attached to the rural dispensaries has to be supported by a certificate from the District Medical Officer and any delay in sending the said certificate by the District Medical Officer as is the case in the present instance will affect the finances of the Board.

4. In these circumstances I have the honour to request that Government may be pleased as a special case to sanction to my Board the payment of the subsidy under reference.

I have the honour to be,
Sir,
Your most obedient servant,

K Sadasiva Adiga
President.

Sir, pp27-28 ante

Adverting to Government Memorandum No. 20538-1-D-2 P.H. dated the 13th ultimo, I have the honour to state that the - pay bill relating to the midwife attached to the Rural Dispensary Bajape was received by me on 22-1-1932 and those --- pertaining to Punjalakatta and Kurnad rural dispensaries on 19-2-1932 and hence the Subsidy could not be claimed before payment of the same from Local Funds. The Medical Practitioners will be strictly ordered to submit the bills before the 5th of the month following the quarter. In this connection I beg to submit that on account of the present straightened finances of the Board the strict adherence to the procedure laid down in G.O.NO. 14 P.H. dated 23rd January 1930 is not practicable now. On account of Non-receipt of voted subsidy -

subsidy from Government I had to credit a sum of Rs 3600 from General Account to Elementary Education Account last month out of the usual contribution to be made for the purpose which is Rs 6,300 so as to pay the teachers the arrears of their pay. Hence I am unable to pay the Medical Establishment before the land cess amount is adjusted on the 15th this month.

2. The midwife attached to only Bajape Rural Dispensary is registered under the Madras Nurses and Midwives Act 1926 while the other two midwives are not registered. Government, however, have, in their order No. 1555 Ms P.H. dated 26-8-1931, been pleased to sanction as a special case the employment without registration those already trained in the Lady Goschen Hospital, Mangalore and these midwives were trained in the said Hospital. Hence the certificate regarding the registration has not been attached to the bill.

p31 infra 3. A copy of ~~the~~ my letter to the District Medical Officer to furnish the certificates in question is enclosed. The said Officer sent the certificates without a covering letter after issue of two reminders.

4. In these circumstances I request that Government may be pleased to sanction the payment to my Board of the subsidy under reference.

I have the honour to be,
